AKSHAT JAIN

Growth & Product Marketing

PERSONAL PROFILE

MBA (Marketing) with experience driving top-of-funnel growth using search intelligence, user intent, and market insights across competitive financial platforms. Skilled in positioning, GTM strategy, and cross-functional collaboration with editorial teams.

WORK EXPERIENCE

SEO EXECUTIVE (GROWTH & SEARCH INTELLIGENCE STRATEGIST)

Business Standard | March 2023 - Present

- Owned demand prioritisation for high-intent financial categories by identifying which market topics warranted sustained coverage versus event-driven spikes.
- Improved share of voice for core market queries (Sensex Today, Nifty Today), lifting average ranking from 8.2 → 5.0 across priority terms.
- Led GTM planning for time-sensitive market events (Quarterly Results, IPO Season), aligning coverage timing and depth with peak investor demand.
- Identified structural product and UX gaps in the IPO section and authored a revamp proposal focused on improving discoverability and repeat usage.

PROJECT MANAGER (INTERNSHIP)

RankSoldier Digital | Nov 2021 – Sep 2022

- Coordinated cross-functional execution across digital PR workflows, improving delivery consistency and output quality.
- Coordinated cross-functional execution across digital PR workflows, improving delivery consistency and output quality.
